

## Newsletter Friday, 12<sup>th</sup> October 2018

Dear Parent/carer,

On Monday the leadership of the Trust all worked hard to focus on areas of the School Improvement Plan, this looks at the great practice we have in our schools already and how we can develop this further. You will undoubtedly hear about the plans we have as they evolve over the coming months.

This week the children have been undertaking some very exciting work within their lessons, we have seen children producing some excellent extended pieces of writing and some very tricky math's problems which have been a real challenge. We often speak to the children about resilience, having a go even when things seem difficult and persevering. The Children have certainly shown us this in abundance this week and they should be very proud of themselves.

On Tuesday, Miss Frost met with all the music co-ordinators in Atherton and Tyldesley schools to discuss how we teach music and the different ways we can develop this. We have also booked in some very exciting Christmas singing events for the choir in the local community, I am sure this will get us all in the festive spirit as Christmas approaches.

We have had some very exciting news this week as Mrs Shepherd has given birth to a beautiful baby boy 'Henry Douglas' who was born Thursday 11<sup>th</sup> October at 5:02am weighing 8lb 14oz. Mother and baby are doing very well.

Next Friday, we will be saying goodbye to Mrs Lythgoe who is leaving us to set up her own business. She will most certainly be missed; however I am sure you join me in wishing her well for the future.

Kind regards  
Lisa Boardman  
Head of School
