Miss Young - What's been happening this week....?

This week we have had lots of fun preparing for Easter, with Easter Stories being re-written, cake making, Easter Bonnet Parades and the Easter Eggtravanzas displays. I would like to thank you all for your creative efforts in supporting your children with these at home and we hope you enjoyed making them alongside your child. We had so many of you attend the parade which the children thoroughly enjoyed and throughout Parents Evening we have been overrun with parents viewing the Eggs on show in the Nurture Classroom. Every child who took part in the Easter activities has been given a 'chocolate surprise' for their efforts. Please feel free to collect the eggs before we break for the school holidays at the end of the day today.

It was great to see so many of you at Parents Evening, if you haven't managed to make an appointment with your class teacher please write a note in your child's school planner and the teachers will do their utmost to accommodate a before or after school appointment for you.

Earlier in the week we were able to get outside in the sunshine to do some of our learning and I do hope that the glorious weather will return over the Easter break so that you can all get outside and enjoy some family time.

I hope you have a lovely Easter break and we shall see you on our return **Tuesday 18th April**.
